

CURRICULUM VITAE

Deborah Dillon McDonald

Rank Associate Professor
University of Connecticut School of Nursing
U-2026, 231 Glenbrook Rd
Storrs, CT 06269-2026
(860) 486-3714

Deborah.McDonald@uconn.edu

I. EDUCATION

<u>Degree</u>	<u>Institution</u>	<u>Major Field</u>	<u>Minor Field</u>	<u>Date Completed</u>
Ph.D.	Columbia University	Social Psychology		1990
M.S.	University of Connecticut	Nursing		1981
B.S.	Marycrest College	Nursing		1975

II. REGISTRATION

Connecticut R31123 (RN)

III. PROFESSIONAL EXPERIENCE

A. Experience in Higher Education (Present position first)

<u>From - To</u>	<u>Institution</u>	<u>Nature of Work</u>	<u>Academic Status</u>
09/90-Present	University of Connecticut, SON	Associate Professor, Nursing	Associate Professor
09/83-05/86	University of Connecticut, SON	Assistant Professor Nursing	Assistant Professor
09/81-07/83	Elms College	Assistant Professor Nursing	Assistant Professor

B. Experiences in Other than Higher Education

<u>From - To</u>	<u>Position Title</u>	<u>Institution</u>
8/11 – present	Nursing Research Advisor	Saint Francis Hospital
10/78-08/79	Staff Nurse	Hartford Hospital
05/75-07/78	Lieutenant Nurse Corps	U.S. Navy

IV. **PUBLICATIONS (# data-based) (*Peer Reviewed)** (most recent first)

A. **Books and Book Chapters**

McDonald, D. (2005). Nursing research in healthcare communication. In J. Fitzpatrick, & M. Wallace (Eds.). *Encyclopedia for Nursing Research*, New York: Springer.

V. RESEARCH AND EVALUATION GRANTS RECEIVED (most recent first)**A. Grants and Contracts: Federal, Regional, State**

<u>Date</u>	<u>Funder</u>	<u>Title</u>	<u>Role</u>	<u>Amount</u>
3/16/06 to 8/08	NINR, NIH	Older Adults' Response to Health Care Practitioner Pain NIH R21 Communication 1R21NR009848-01	PI	\$233,000
5/99 to 10/01	AREA, NIH 1 R15 NR04876-01	Postoperative Pain Communication Skills for Older Adults	PI	\$106,184
1988- 1990	National Center for Nursing	"Implicit gender stereo- typing by nurses" NIH #5F31NRO6168-02	Pre-doctoral Fellow	

B. Grants: Foundation

<u>Date</u>	<u>Funder</u>	<u>Title</u>	<u>Role</u>	<u>Amount</u>
1/12 to 5/13	Saint Francis Hospital Best Care	The Effect of a Personally Relevant Message on Fall Prevention	Co-I	\$10,000
1/2/12 to present	Saint Francis Hospital Best Care	The Effect of Preventive Use of a Silicone Dressing on Pressure Ulcers in Critical Care Patients	Co-I	\$10,000
5/08 to 8/08	McDonald Family Trust	A Pain Communication Pilot Study	PI	\$1,000
10/15/01 to 10/03	Donaghue Foundation	Assisting Elders to Communicate their Pain After Surgery	PI	\$84,330

C. Grants: University

5/14 to present	SON Toner	The Relationship between Reminiscence Functions, Problem Solving, Optimism, Depressive Symptoms, Physical Activity and Pain in Older Adults		\$4,800
4/13 to present	UCRF	Pain Life History Calendar: A Pilot Study		\$1,500

3/2010 to 3/2013	CHIP	The Effect of a Virtual Pain Coach for Spanish Speaking Older Adults Pilot Study	\$15,000
6/08 to 2010	UCRF	A Pain Communication Pilot Study	
10/06 to 10/07	Toner & UConn	Use of the Brief Pain Inventory with Older Adults	PI \$2000
2/18/04	UCRF	Nurses' Response to Pain Communication	
11/98 to 1/03	U. of Athens Athens, Greece	Nurses' to Knowledge Regarding Pain and Greece Cancer Patients' Reports of Pain Control	
2/98 to 2/01	UCRF	The effect of older adults' pain management knowledge and communication skills on their postoperative pain relief	
9/95 to 8/97	UCRF	Pilot Study: "Seeking pain relief: The experience of Anglo, Black, & Hispanic Americans"	
1/95 to 5/96	UCRF	Pilot Study: "Pain reduction Strategies used by older adults"	
7/94 to 8/94	UCRF	"Nurses' memory of patient information and patient stereotyping"	
6/9/93 to 9/1/93	UCRF	"The response of women to gender stereotyping during a health interview"	
7/91 to 8/92	UCRF	"Postoperative narcotic analgesic medication patterns"	
11/1/90 to 6/30/92	UCRF	"Gender stereotyping and differentiated nursing Research care"	
1987-1988	UCRF	"Socialization of undergraduate students: Conflict Resolution	

VI. PRESENTATIONS (# Data-based) (* Refereed) (most recent first)

A. Invited Addresses

McDonald, D. Talking with Older Adults about Their Pain. Paper presented at the 8th Annual Jewish Home Life Care Palliative Care Conference, 10/26/2010, New York, NY.

B. International Presentations

McDonald, D., Walsh, S., Vergara, C., & Gifford, T. The effect of a virtual pain coach on pain management discussions: A pilot study. Paper presented at the 2nd Making Sense of Pain Conference, 5/22/11, Warsaw, Poland.

McDonald, D., Thomas, G., Livingston, K., & Severson, J. Assisting Older Adults to Communicate Their Pain After Surgery. Paper presented at the 37th Biennial Sigma Theta Tau International Scientific Sessions, 11/3/2003, Toronto, Canada.

Patiraki, E., McDonald, D., Tafas, C. & Lemonidou, C. A Description of Cancer Patients' Pain and Nurses' Knowledge of and Attitudes Towards Pain Management in Greece. (2000). Paper presented at the European Oncology Nursing Society Spring Convention, Prague, Czech Republic, 4/14/2000.

C. National Presentations

McDonald, D., & Barri, C. The pain management life history calendar: A methodological pilot study. Paper presented at the Council for the Advancement of Nursing Science, 9/20/14, Washington DC.

McDonald, D., Ambrose, M., & Morey, B. Hispanic inpatient pain intensity. Poster presented at the Annual Scientific Meeting of the American Pain Society, 5/2/14, Tampa, FL.

McDonald, D. Trialing to pain control: A grounded theory study. Poster presented at the American Pain Society Conference, 5/10/13, New Orleans, LA.

Camilleri, C., McDonald, D., Martin, C., & Davis, D. Postoperative pain and pain management in opioid tolerant patients. Poster presented at the American Pain Society Conference, 5/10/13, New Orleans, LA.

Camilleri, C., McDonald, D., Martin, C., & Davis, D. Postoperative pain and pain management in opioid tolerant patients. Poster presented at the American Society of Pain Management Nurses, 10/1/12, Baltimore, MD.

McDonald, D., Walsh, S., Vergara, C., Gifford, T., & Weiner, D. The effect of a Spanish virtual pain coach for older adults: A pilot study. Poster presented at the American Pain Society Conference, Honolulu, HI, 5/17/12.

McDonald, D., & Walsh, S. Older Adult Osteoarthritis Pain Management: Results from the National Ambulatory Medical Care Survey. Poster presented at the Geriatric Society of America Conference, Boston, MA, 11/18/11.

McDonald, D. Predictors of older adults' use of recommended arthritis pain treatment. Paper presented at the Geriatric Society of America Conference, New Orleans, LA, 11/23/2010.

McDonald, D., Walsh S., Vergara, C., & Gifford, T., The effect of an educational intervention on older adults' osteoarthritis pain: A pilot study. American Pain Society Annual 29th Scientific Meeting, poster presented 5/6/2010, Baltimore, MD.

McDonald, D. & Fedo, J. Older Adults' Pain Communication: The Effect of Interruption. The Gerontological Society of America 62 Annual Scientific Meeting, paper presented 11/21/2009, Atlanta, GA.

McDonald, D., Gifford, T., & Walsh S. A pain communication and avatar coaching intervention pilot with older adults. American Pain Society Annual 28th Scientific Meeting, poster presented 5/7/2009, San Diego, CA.

McDonald, D., Gifford, T., & Walsh S. A pain communication and avatar coaching intervention pilot with older adults. Eastern Nursing Research Society, paper presented 3/20/09, Boston, MA.

McDonald, D., The Effect of Pain Question Phrasing on Older Adults' Verbal Pain Response. 2008 National State of the Science Congress in Nursing Research, paper to be presented 10/08, Washington, DC.

McDonald, D., Shea, M., Rose, L., & Fedo, J. The Effect of Pain Question Phrasing on Older Adults' Verbal Pain Response. APS 27th Annual Scientific Meeting, poster presented 5/8/08, Tampa, FL.

Shea, M. & McDonald, D. Factors Predicting Pain Communication in Older Adults. APS 27th Annual Scientific Meeting, poster to be presented 5/8/08, Tampa, FL.

McDonald, D., Thomas, G., Livingston, K., & Severson, J. Assisting Older Adults to Communicate Their Pain After Surgery. Paper presented at the American Society of Pain Management Nurses, 3/19/2004, Myrtle Beach, SC.

McDonald, D., Thomas, G., Livingston, K. & Severson, J. Assisting Older Adults to Communicate Their Pain After Surgery. Paper presented at the National Association of Orthopedic Nurses Conference, 5/21/03, Orlando, FL.

McDonald, D., Goldblatt, S., Frakes, M., Apostolidis, B., Armstrong, B., & Bernardo, D. The Effect of a Psychiatric Diagnosis on Healthcare for Non-psychiatric Problems. Poster presented at the American Psychiatric Nurses Association 16th Annual Conference, Psychiatric-Mental Health Nursing, Integrating Practice, Research, and Education, 10/5/2002 – 10/8/2002, Dallas, Texas

McDonald, D. & Molony, S. Postoperative Pain Communication Skills for Elders, Paper presented at the State of the Science Conference, 9/27/02, Washington, D.C.

McDonald, D., Poudrier, S., Gonzalez, T., Landry, S., Lakhani, K., & Brace, J. (2002). Pain Reduction Strategies Used by Young Adults, Paper presented at the American Society for Pain Management Nurses annual Meeting, 3/2/2002, Salt Lake City, UT.

Anderson, E. & McDonald, D. (2001). Research Published in Nursing Journals: Healthcare Implications, Timeliness, and Space Allocation. Poster presented at the 13th Annual Scientific Sessions of ENRS, 4/2/2001, Atlantic City, NJ.

Tafas, C., Patiraki, E., McDonald, D., & Lemonidou, C. (2001). A Description of Cancer Patients' Pain and Nurses' Knowledge of and Attitudes Towards Pain Management in Greece. Paper presented at the 6th National Conference on Cancer Nursing Research, Orlando, Florida, 2/10/2001.

Moore, J., McDonald, D., Freeland, M., & Thomas, G. (2000). The Effect of an Intervention Teaching Preoperative Older Adults Pain Management Knowledge and Pain Communication Skills. Poster presented at the 25th Annual Oncology Nursing Society Congress, 5/11/00, San Antonio, TX.

McDonald, D., Freeland, M., Thomas, G. & Moore, J., (2000). Testing a Pain Management Intervention for Postoperative Elders. Invited paper at Pain Management: Nursing Interventions for Positive Outcomes Research Conference, University of Alabama Medical Center, Birmingham, AL, 5/2/2000.

Thomas, G., McDonald, D., Freeland, M., & Moore, J. (1999). The Effect of an Intervention Teaching Preoperative Older Adults Pain Management Knowledge and Pain Communication Skills. Paper presented at the Scientific Sessions of the 35th Biennial Sigma Theta Tau Convention, 11/8/99, San Diego, CA.

Freeland, M., McDonald, D., Thomas, G., Moore, J., McNulty, J., Tremaine, L., Cross, A., & Krietler, M. (1999). The Effect of an Intervention Teaching Preoperative Older Adults Pain Management Knowledge and Pain Communication Skills. Paper and poster presented at the National Gerontological Nursing Association 14th Annual Convention the Year of the Elder. 10/16/99, Minneapolis, MN.

McDonald, D. (1997). Seeking pain relief: The experience of Anglo, Black, and Latino Americans. Presented at Nursing Research: Guiding Practice into the next Millennium, 3/14/97, Honolulu, HI.

McDonald, D. (1997). Acute pain reduction strategies used by well older adults. Paper presented at Nursing Research: Guiding Practice into the next Millennium, 3/14/97, Honolulu, HI.

McDonald, D. (1997). Seeking relief: The experience of Anglo, Black, and Latino Americans. Poster presented at STTI-Eta Omicron Chapter & Texas A & M University-Corpus Christie 2nd Annual Nursing Innovations for Changing Times, 2/24/97, Corpus Christie, TX

McDonald, D. (1997). Acute pain reduction strategies used by well older adults. Paper presented at STTI-Eta Omicron Chapter & Texas A & M University-Corpus Christie 2nd Annual Nursing Innovations for Changing Times, 2/24/97, Corpus Christie, TX.

McDonald, D. (1996). Pain reduction strategies used by well older adults: A pilot. Paper presented at the American Nurses Association's Council of Nursing Research 1996 Scientific Session, 6/14/96, Washington, DC.

McDonald, D. (1995). Health care and gender, age, and racial stereotyping. Paper presented at the Second International Interdisciplinary Health Research Symposium, Health Care and Culture, 6/16/95, Morgantown, WV.

McDonald, D., Bohusz, T., Munn, S., & Schock, S. (1994). The response of women to gender stereotyping during a health interview. Paper presented at the APA Psychosocial and Behavioral Factors in Women's Health, 5/13/94, Washington, DC.

Ogle, S. & McDonald, D. (1994). Progressive muscular relaxation and the reduction of anxiety while awaiting laboratory tests: A pilot study. Paper presented at STT, Beta Upsilon Research Day, 2/11/94, Phoenix, AZ.

Ogle, S. & McDonald, D. (1993). Progressive muscular relaxation and the reduction of anxiety while awaiting laboratory tests: A pilot study. Poster presented at STT Biennial Convention, 12/1/93, Indianapolis, IN.

McDonald, D. (1993). Gender and ethnic stereotyping and narcotic analgesic administration. Paper presented at the 18th Annual Research Conference, 11/4/93, Nashville, TN.

McDonald, D. (1993). Gender stereotyping and postoperative narcotic analgesic administration. Poster presented at ANA Council of Nurse Researchers Scientific Session, 11-13-93.

McDonald, D. (1992). Postoperative narcotic analgesic patterns. Poster presented at the University of California School of Nursing "First International Symposium on Symptom Management", San Francisco, CA, 3-13-92.

McDonald, D. (1992). A preliminary investigation of narcotic analgesic medication patterns. Poster presented at the "Sixth Annual Nursing Research Conference: Making it a part of Your Practice", San Diego, CA, 2-21-92.

McDonald, D. (1991). Gender stereotyping: Implications for nursing practice. Poster presented at the University of Texas Health Science Center at Houston School of Nursing Research Conference, "Pragmatic Innovations and Applications: Shaping Our Clinical Future", Houston, TX, 2-21-91.

McDonald, D. (1990). Implicit gender stereotyping by nurses. Paper presented at Sigma Theta Tau, Gamma Gamma Chapter's Research Day, San Diego, CA, 3-16-90.

McDonald, D. (1989). Evaluation of a nursing course covertly teaching conflict resolution skills. Paper presented at the Sigma Theta Tau Research Day, Richmond, Kentucky, 2-16-89.

Contento, I., Michela, J. and McDonald, D. (1987). Adolescents' nutrition knowledge does make a difference.

Paper presented at the National Conference for Nutrition Education, San Francisco, CA.

A. Regional Presentations

McDonald, D., Ambrose, M., & Morey, B. Hispanic inpatient pain intensity. Paper presented at the Annual Eastern Nursing Research Society Conference, 4/10/14, Philadelphia, PA.
