

UConn School of Nursing

MASTERS'S PROGRAM

Adult Gerontology Acute Care Nurse Practitioner (AGACNP)

Adult Gerontology Acute Care Nurse Practitioner (AGACNP) graduates are prepared as advance practice nurses to assess, diagnose, monitor, treat and coordinate care of acutely and critically ill individuals from adolescence to senescence in acute care settings. The core competencies emphasize teaching/coaching, consultation and evidence-based practice. Graduates of this concentration are prepared for eligibility to apply for the AGNP Acute Care certification examination prepared by an approved national organization as accepted by the Board of Registration in Nursing and apply to practice in the expanded role in Connecticut or other states based on regulatory guidelines.
