- Multiple Races: 3.8%

## CLINICAL TRAINING

The UConn School of Nursing has a growing network of over 300 clinical training partners across Connecticut, and many others across the nation. The School is affiliated with more than 60 health care agencies located within a 75-mile radius of the Storrs campus.

The UConn simulation education program is at the forefront of simulation technology and education practices. The School of Nursing maintains a high-tech Clinical Simulation Learning Center, where over a dozen simulation manikins mimic physiological functions and represent diverse populations, ethnic backgrounds, and life stages.

## RESEARCH

**Fiscal Year 2022 External Research Funding:** \$4 million

### Research Centers & Laboratories:

- Center for Advancement in Managing Pain
- International Center for Life Story Innovations and Practice
- P20 Center for Accelerating Precision Pain Self-Management
- Biobehavioral Laboratory

## PUBLIC SERVICE

Nearly all faculty members are either active in nursing practice, provide direct patient care, participate in service events, or participate in or lead a national professional organization.

In 2021, School of Nursing students and faculty participated in COVID-19 vaccination outreach across Connecticut:

- 90 vaccine-related initiatives
- 1,600 COVID-19 vaccines administered
- 1,635 student & faculty hours
- 70 student participants
- 15 faculty participants

## ALUMNI

- 9,101 total alumni worldwide
- 5,541 alumni live in Connecticut
