

Mu Chapter

Research Grant Application

1. Mu Chapter members are eligible to apply for funds once every five years
2. If IRB approval is needed for the study, the approval **MUST** be submitted with the application. Pending applications are not eligible.
3. Submit applications to Mu Chapter President for dissemination to the Research Committee.
4. Applications need to include:
 - a. Application form
 - b. Maximum 300 word abstract
 - c. Proposal (maximum five pages)
 - d. Statement of how the proposed research enhances the mission of Sigma.
 - e. Proposed budget (\$1000 or less)...funds cannot be used for investigator salary/wages
 - f. Planned timeline for the study
5. If you are a student, please include an approval of the proposal statement from your advisor
6. If the proposal is approved, MU reserves the right to award less than the dollars requested
7. Applications are due May 5, September 5 or January 5; applications received in between these dates will be held to the next funding cycle.
