Nursing, University of Connecticut

Position ID:	UConn-Nurse-2019465 [#13635]
Position Title:	Assistant/Associate/Full Professor (Tenure/Tenure Track)
Position Type:	Tenured/Tenure-track faculty
Position Location:	Storrs, Connecticut 06269, United States [map]
Subject Area:	Nursing
Appl Deadline:	(posted 2019/04/26, listed until 2019/10/26)
Position Description:	**Apply**

The University of Connecticut, School of Nursing is seeking applications to fill three (3) full-time, 9-month, tenure/tenure-track Assistant/Associate/Full Professor positions. Candidates with research expertise in pain physiology and/or management, genetics, chronic disease, aging, maternal-child health and/or pediatrics are strongly encouraged to apply. Faculty working in the area of pain will join the inter-disciplinary pain research faculty at the University of Connecticut Center for the Advancement in Managing Pain (CAMP) and the School's P20 Center for Accelerating Precision Pain Self-Management (CAPPS-M), participating in creating a new era of interdisciplinary pain management research. Faculty members are also responsible for teaching and participating in professional service activities. UConn's philosophy of interdisciplinary scholarly collaboration and the School's Center for Nursing Scholarship and Innovation create an environment for productivity and achievement for an established scholar. The School offers assignments adjusted for concentration on research; collaborations with the Schools of Dental Medicine, Engineering, Medicine, Pharmacy, and Social Work; support for teaching and learning; and opportunities for international work. The School of Nursing provides an environment supporting interdisciplinary research, emerging areas of research and emerging researchers. The faculty member may be joint-appointed in the School of Medicine.

The University of Connecticut (UConn) is entering a transformational period of growth supported by the $1.7B Next Generation Connecticut **(http://nextgenct.uconn.edu/)** and the $1B Bioscience Connecticut **(http://biosciencect.uchc.edu/)** investments and a bold new Academic Plan: Path to Excellence **(http://issuu.com/uconnprovost/docs/academic-plan-single-hi-optimized_1).** We are pleased to continue these investments by inviting applications for a faculty position in the School of Nursing.

MINIMUM QUALIFICATIONS

Earned doctorate in nursing or a related field.

Demonstrated active program of scholarship and research through research publications and funding, and evidence of and potential for extramural funding.

Experience teaching in an institution of higher education, with documented positive student evaluations

Demonstrated ability to work collaboratively and interact productively with faculty, staff and students.

Strong organizational, communication and interpersonal skills.

Demonstrated writing and research ability.

Demonstrated ability to contribute through scholarship, teaching, and/or public engagement to the diversity and excellence of the learning experience.

Applicants at higher ranks will possess an excellent record of research, teaching performance, and involvement in undergraduate, graduate, and doctoral education, commensurate with the rank they are seeking.

PREFERRED QUALIFICATIONS

Record of pain, genetics, chronic disease, aging, maternal-child health and/or pediatric research publications and research grants.

For nursing candidates, eligibility for RN licensure in Connecticut is required (valid by date of hire).

Demonstrated teaching excellence in relevant areas of expertise.

Completion of a post-doctoral fellowship.

Applicants at the ranks of associate and full professor will have a record of contribution through research, teaching, and public engagement to the diversity and excellence of the learning experience and evidence of service to the university, the field, or the profession through leadership in professional organizations, editorial activities, and successful involvement in undergraduate and/or graduate curriculum development.

APPOINTMENT TERMS

This is a 9-month tenure/tenure-track faculty appointment initially subject to annual reappointment reviews. Appointment type, rank and compensation package will be commensurate with background, qualifications, and experience. The successful candidate's primary appointment will be at the Storrs campus with the possibility of work at UConn's regional campuses across the state. The anticipated start date is August 23, 2019.

TO APPLY

Select "Apply Now" to be redirected to Academic Jobs Online to complete your application. Please submit the following and include your last name as well as Search #2019465 in the document title for each document submitted:
