As we prepare to return to in-person programs for students this summer, Hartford Stage is looking for a nurse to be onsite for the duration of our summer camp program: July 6-30, Monday-Friday, 9 a.m.-5 p.m.

In the past, we have worked with a nurse consultant who has trained our staff in medication administration. This year, to enhance health and safety procedures in our program, we would like to move to having a full-time nurse onsite. As a licensed camp in the state of CT, we also work with a physician who provides oversight, is on call, and signs off on our medical logs.

There is not a minimum licensure level required. We are happy to talk to anyone and share more details; here are the basics:

- Programs serve students ages 5-18. Up to 150 students, depending on enrollment.
- Program located at the Greater Hartford Academy of the Arts at the Learning Corridor in Hartford.
- We are a CT licensed summer camp: we collect medical forms from students, administer medication as needed, and have a physician on-call, follow all state guidelines for Covid-19.
- Program Dates/Hours: July 6-30, Monday-Friday, 9 a.m.-5 p.m.

If you have any questions or are interested, please contact Jennifer Roberts, Director of Education, at jroberts@hartfordstage.org.
