Full Time RN for Outpatient Infusions
Lori Calabrese, MD, LLC
South Windsor, CT

Looking for a long-term position with an attentive and highly skilled team? A job where you see patients actually get better from your care? If you like to work independently, have strong IV placement/infusion skills, and are naturally warm and compassionate, you may find your perfect fit in our unique and caring practice.

We're looking for a happy, optimistic RN who loves to smile, and who wants a solid long-term position in a state-of-the-art practice where we offer innovative IV ketamine treatment. Please visit our website: loricalabresemd.com

This is a full-time position, Monday through Friday, 11:30 AM - 8 PM (we're all about what's best for our patients).

Requirements:

- State of Connecticut RN license
- BLS or ACLS certification
- Excellent nursing assessment skills and judgment
- EMR experience and excellent charting skills
- Experience starting IVs and administering intravenous medication
- Professionalism and the ability and goodwill to adhere to policies and procedures
- Ability to adapt and easily change direction and priorities
- Ability to evaluate and identify problems and find solutions
- Ability to work independently and thrive in a fast-paced environment

TO APPLY: Send your resume and a detailed cover letter explaining your experience, your interest in this position and your long term career plans to 311mckee@gmail.com
