2. Have been employed in his/her present position for at least one year
3. Have satisfactorily completed the probation period in his/her current job.
4. Have an overall rating of “Satisfactory” on his/her most recent annual performance review.
5. Have no corrective action within the past 12 months.
6. Must have a current CT RN License
7. BSN highly preferred
8. Must have current BLS

All completed applications are due to Sarah Devine in Human Resources no later than June 25th, 2021.

For more information please contact: Sarah Devine RN, HR Manager at (203) 276-7287 or sdevine@stamhealth.org
What is ER Nursing 101?

The **ER Nurse Fellowship Program** is a blended program with online modules created by the Emergency Nurses Association, in additional textbook readings with hands-on skills labs and a clinical practicum.

What are the course topics?

Registered nurses taking the training course will cover the following topics:

- Care of the Trauma Patient
- Care of the Stroke Patient
- NIHSS
- Administration of Critical Care Medications
- Care of the Cardiac Patients
- Care the Geriatric Patients
- Care of the Pediatric Patients
- Care of the Sexual Assault patient
- Burn Victims
- Critical Reasoning
- Team work
- Interdisciplinary collaboration.
- Patient and Family Education

How will I be learning?

The ER Nurse Fellowship course is designed to develop strong nursing skill sets that will enable you to care for our high acuity patient population. The program is comprised of hands on education that includes simulation and direct advance patient care.

How many RNs will be in the program?

The program will consist of 2-3 nurses. Each will be assigned a mentor/preceptor who will guide them through the program in collaboration with the ER Nurse Educator.
